How to find us :

The last section of Ryneveld Street is a one-way street. It is easy to come from Merriman Street. After rounding a small circle, look for Erfurthuis on your right-hand side. If you see an open park, you've just passed it.

There should be ample parking in Ryneveld Street. Alternative parking is available in the Eikestad Mall parking area (behind Erfurthuis).

The gate in Ryneveld Street should be open. After entering, walk around the right-hand side of the building until you find the entrance (aluminium glass doors). Ring the bell to enter and say "Bonjour!"
